Website: [www.nelson.richmond.sch.uk](http://www.nelson.richmond.sch.uk)

Dear Parents,

We have put together the following activities so that your child can continue to learn during this time.

Each activity is either taught online or requires approximately 10 minutes of initial input using the supporting documents or links provided. Our aim is that following this input, children will be able to complete activities independently. They should spend around 30 minutes on each activity.

**Work can be completed in homework books/ home learning books.**

Alongside the Maths and English activities that we have provided we would recommend the following activities take place:

- Reading
- Times Tables Rock Stars
- Mathletics
- Physical exercise- see the challenges on LOD

In line with guidance, we recommend you oversee your child when they are online.

If you have any questions, please contact the school office at [info@nelsonschool.org](mailto:info@nelsonschool.org)

Kind regards,  
Nelson School

# English- Online Learning

Activity 1: Go to:

<https://teachers.thenational.academy/lessons/to-read-a-text-and-make-inferences-part-1-6mr3gr>

The Giant's necklace by Michael Morpurgo. Read through the online lesson and complete the independent tasks related to inference.

Activity 2: Read for 30 minutes and complete an activity in your reading record.

Go :

<https://teachers.thenational.academy/lessons/to-read-a-text-and-make-inferences-part-2-c8rp4e>

Complete second lesson on inference and complete independent tasks.

Activity 3: Go :

<https://teachers.thenational.academy/lessons/to-analyse-a-setting-6rtp2e>

Look at lesson three. Think about what other character the heroine in this story makes you think of. Make predictions about what will happen next and complete the independent task.

Activity 4: Spelling tutor Use your password and practice spellings. We will be looking at the prefix 'al'.

Go : <https://teachers.thenational.academy/lessons/to-analyse-a-setting-6rtp2e> Read through the next lesson about settings. Work through the independent tasks. Write a short description of the beach setting.

Activity 5: Go: <https://teachers.thenational.academy/lessons/to-read-comprehend-and-respond-to-a-climax-6gr68c> Complete the last lesson to demonstrate your understanding of the plot and characters.

Reminders: Please remember to read at three times a week.

Challenge: Write an alternative ending in your homework book.

# Maths- Online Learning

## Activity 1: Adding multiples of ten to 3-digit numbers

Go to: [https://classroom.thenational.academy/lessons/adding-multiples-of-10-to-3-digit-numbers-cgwp6d?from\\_query=adding+3-digit+numbers](https://classroom.thenational.academy/lessons/adding-multiples-of-10-to-3-digit-numbers-cgwp6d?from_query=adding+3-digit+numbers)

## Activity 2: Adding two 3-digit numbers (without regrouping)

Go to: [https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-without-regrouping-c4uk8r?from\\_query=adding+3-digit+numbers](https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-without-regrouping-c4uk8r?from_query=adding+3-digit+numbers)

## Activity 3: Adding using the column method

Go to: [https://classroom.thenational.academy/lessons/adding-using-the-column-method-cmw3cc?from\\_query=column+method](https://classroom.thenational.academy/lessons/adding-using-the-column-method-cmw3cc?from_query=column+method)

## Activity 4: Adding 3-digit numbers (regrouping in multiple columns)

Go to: [https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-regrouping-in-multiple-columns-74u3ce?from\\_query=adding+3-digit+numbers](https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-regrouping-in-multiple-columns-74u3ce?from_query=adding+3-digit+numbers)

## Activity 5: Complete an activity on **Mathletics**

Practise your times tables on **Times Tables Rock Stars**

Reminders: Please visit **BBC Bitesize** so that you can deepen your understanding of place value and develop your knowledge of addition. Please click this link:

<https://www.bbc.co.uk/bitesize/tags/z63tt39/year-4-and-p5-lessons>

Challenge: Click the link and choose two problem solving activities to complete.

<https://rich.maths.org/public/topic.php?code=31>

# Topic - History

We will be looking at all six wives of Henry VIII. Research the order of his wives and what happened to them. Draw a family tree of Henry VIII and his wives. Remember to include his children.

Divorced beheaded died, divorced beheaded survived. Use this rhyme to remind you of the fate of his wives.

Answer the following questions in your book:

Why does Henry VIII want to divorce Catherine of Aragon?

What does he want from the marriage?

What gender should the baby be? Why?

Why does he not stay with Anne Boleyn, after all she is young and pretty and can give him children?

Who was his favourite wife? Why?

Reminders: When completing research please remember to use credible sites as some will contain facts that are not true. Try History online or the Hampton court website.

Challenge: Write a job application for a wife of Henry. Add all the qualities that Henry wants in a wife.

# Topic – R.E

We are continuing with Christianity and our focus this week will be Bible stories from the Old Testament. We are going to be looking at the story of Noah and the ark. You can find the whole story using the following link.

Go : <https://www.youtube.com/watch?v=2JZHxkI9BB4>

Once you have watched the video, write a diary entry as if you are Noah, You can choose to write about the flood and what happened after the dove returned to the ark or write about when God told Noah that he had to build an ark.

Reminders: Remember when writing a diary you need to use first person.

Challenge: Draw a cartoon strip to retell the story.

When you return to school, please bring the completed work with you for your teacher to see.

If you have any questions about the learning please email [info@nelsonschool.org](mailto:info@nelsonschool.org).
