

# Autumn 1

## Me and You

### Successful Learners

#### Areas of learning

**As 'learners' we will:**  
Find out what we are interested in.

**As 'friends' we will:**  
Learn each other's names and say, 'hello'.

**As 'time travellers' we will:**  
Talk about and share important events in our lives.

**As 'explorers' we will:**  
Find out about our new Nursery.

**As 'artists' we will:**  
Explore different media and express our feelings and ideas using our bodies.

#### Confident Individuals

##### PSHE

We will learn to do things for ourselves and start to understand our feelings.

#### Responsible Citizens

##### Environment

We will learn to explore, care for and be responsible for our Nursery.

##### Spiritual & Moral

We will feel happy and secure in our new Nursery.

##### Communities

We will feel that we belong to Rainbow Nursery.  
We will feel proud to share our learning with our family when they come into our Nursery.

We learn best when we are interested and excited about our learning. We will be flexible about our learning and follow children's interests within these topics.
