Year 4

Year 4 have been learning about the Tudors. We experimented with blending oil pastels and learnt about how to use the correct proportions for drawing portraits. We combined our new skills to create some fabulous portraits of Tudor kings and queens.

Nursery

What a fun week we've had in nursery! Today has been our first 'Toast Friday'. We all enjoyed having a lovely warm snack on such a damp day.

Mr Gardner's Favourite Book

My favourite book is the Shirley Hughes Collection. She is one of the best known and popular creators of children's books of all time. I used to read this collection of stories to my two children when they were younger. Each page had a special warmth, vision and vitality which made it an essential read. The book is richly illustrated and captures the late 1970's and early 1980's. If you see a copy it is well worth a read.

Parent Helpers

We have planned for some very exciting trips. If you would like to help on school trips or volunteer in class you will need to have a Latchmere Trust DBS. Please speak with the school office who can help you through this process.

Coronavirus hasn't gone away so there will still be a need for schools, to follow measures to avoid the spread. What if someone tests positive or has symptoms? Do they need to isolate? Self-isolate straight away and get a [PCR test \(a test that is sent to the lab\) on GOV.UK](#) as soon as possible if you have any of these 3 symptoms of COVID-19, even if they are mild:

- a loss or change to your sense of smell or taste.

You should also self-isolate straight away if:

- you've tested positive for COVID-19 either according to a PCR test or a lateral flow device test – this means you have the virus. If you get a positive LFD test you should book a PCR test. A negative PCR test will override a positive LFD test.
- someone you live with has symptoms or tested positive (unless you are not required to self-isolate – see below if this applies to you)

you've been told to self-isolate following contact with someone who tested positive – [find out what to do if you're told to self-isolate by NHS Test and Trace or the NHS COVID-19 app.](#)

Pupils should only self-isolate if they have symptoms or if they get a positive PCR or Lateral Flow Device (LFD) test.
